Imagine all of your menu items and beverages that require lemon and lime juices without the cost and hassle of squeezing fruit, or the bitter, burned taste of “reconstituted” juice. Natural Brands Fresh Squeezed Lemon and Lime juices help chefs and bartenders achieve the “gold standard” every time with seafood, sauces, desserts, cocktails, and more.

Economical Fresh Squeezed Lime and Lemon Juices may be the best kept secret in the food-service world. You’ll enjoy tremendous savings over fresh fruit usage with costs comparable to “from concentrate” reconstituted bottled juices.
