Natural Brands Fresh Squeezed Orange and Grapefruit Juices are extracted from grove-run fruit seasonally from Florida and California. Unlike “From Concentrate” and mass market “Not From Concentrate” juices, we do not add frozen juices nor “zipper” fruit juices. The result—our juices truly taste like biting into a fresh orange or grapefruit.

Our Florida and California factories are FDA-approved HACCP facilities for fresh squeezed juices. No juice ships before we rigorously test for safety and quality.
