Fresh Squeezed Lemonade says it all - fresh lemonade from fresh lemons and cane sugar. It's made in the same process your grandmother used in the kitchen. That familiar and memorable balance of sweet and tart makes you smile! 100% natural with no preservatives nor additives of any kind.

Ready to serve, Fresh Squeezed Lemonade is available in every size from individual portions to a full range of dairy and food-service packages. For 23 years, this is our best selling, most appreciated natural soft drink.
